Writing Part 1 · Interacción red social (3 respuestas ~30-40 palabras c/u)

Tarea: En un foro/grupo online se debate si peatonalizar el centro de la ciudad. Responde a 3 mensajes (~30-40 palabras cada uno).

Respuesta modelo:

- 1) I think pedestrianising the centre is a good idea. There will be less traffic and less pollution, and it will be safer for children. People can also walk and sit outside more easily.
- 2) I understand that the shops are worried about losing customers. But I think more people will come if the streets are nicer. Maybe the council can add more parking near the centre.
- 3) For me, the most important thing is public transport. If we remove the cars, we need more buses, so older people can still come to the centre without problems.

Writing Part 2 · Email a una autoridad (120-150 palabras)

Tarea: Recibes un email del ayuntamiento anunciando que la biblioteca municipal reducirá su horario. Responde (120-150 palabras) expresando cómo te sientes y usando las notas: (a) mucha gente la usa, (b) propón alternativas, (c) pide una reunión pública.

Respuesta modelo:

Dear Sir or Madam,

I am writing about your email regarding the new opening hours of the library. I was very disappointed to hear this news.

The library is very important for our town. A lot of people use it every day, for example students who need a quiet place to study and older people who borrow books. If you reduce the hours, many of them will not be able to use it.

Instead of closing in the afternoons, maybe you could open later in the evening, or open on Saturdays. I think this would help more people.

Could you please organise a public meeting so that we can talk about it? Thank you for your help.

Yours faithfully,

A. Pérez

Why You Should Learn a Foreign Language

Learning a foreign language is one of the best things you can do today. In a connected world, it helps you in many parts of your life.

First, it is very useful for travelling. When you speak the local language, even a little, your trips are easier and more interesting. You can talk to people and understand the culture better.

Second, it is good for your career. Many companies want workers who speak more than one language, so it can help you find a better job.

Finally, learning a language is good for your brain. It improves your memory and helps you think in new ways. It is also a lot of fun when you start to understand films and songs.

Another great thing is meeting new people. When you learn a language, you can make friends from other countries and feel more confident when you travel or work. There are also many free apps and videos today, so it is easier than before to practise a little every day.
